Hop-On Facility: what ?

The Hop On Facility integrates one additional participant from a Widening country (Lithuania included) to an ongoing project under Pillar 2 or the EIC pathfinder scheme while topping up a relevant task or work package and the cost incurred by the additional participant.

Hop-On Facility: why?

- Improve Inclusiveness of Horizon Europe by involving additional research institutions from Widening countries in Horizon Europe Pillar 2 and EIC Pathfinder actions
- Open-up closed networks and overcome barriers
- Contribute to reducing the participation gap in Horizon Europe and closing the innovation divide in Europe
- Contribute to the 'advancing Europe package' negotiated in the legislative process for Horizon Europe

Hop On Facility

[HORIZON-WIDERA-2023-ACCESS-06-01](#)

TYPE OF ACTION

- Research and Innovation Action (RIA)

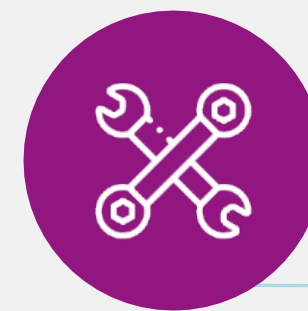

BUDGET

- Total indicative budget for the topic: EUR 40 million
- Expected EU contribution per project: EUR 0.1-0.6 million

TIMING

- Call opening: 10 January 2023
- Cut-off dates: 28 Sept. 2023; **26 Sept 2024**

OTHER CONDITIONS

- Indicative number of projects to be funded: 160 (2 cut-offs, 74 in 1st cut-off)

Project duration: depending on the duration of the Horizon Europe Research and Innovation (RIA) projects to which the new partner will join. The proposed 'new' action cannot be extended after the original grant agreement has expired.

Hop On Facility: How?

Hop On Facility integrates one additional participant from a widening country into ongoing Pillar 2 or EIC Pathfinder project, while **complementing the appropriate Task(s) or Work Package and the cost incurred by the additional participant.**

Only the **coordinator** of an ongoing eligible project funded by Horizon Europe is **eligible to apply**. The application to include a partner from a widening country needs to be **submitted by the coordinator of the consortium.**

When applying for the Hop On Facility, **the coordinator must confirm that all consortium partners consent to the accession of a new partner from a Widening country, as well as to the proposed by the new partner activities** within the scope described in Part B of the application.

The proposal should include a **detailed description of the profile of the new partner and its role in the existing project** and the **R&I relevance and complementarity needs to be demonstrated.**

All the information will have to be added in the customized application form part B available in the submission system page.

Hop On Facility

Proposal's evaluation

- By independent experts
- Focusing on **added value of the new partner**
- Focusing on **WPs or Tasks proposed by the added institution in the context of the ongoing project**
- The ongoing project as such is not a subject of the evaluation

NB: in case of proposals receiving equal score in the ranking procedure, **a preference will be given to proposals with a particular relevance to green or digital transitions of the economy**

Hop On Facility: implementation and cots

 Selected **consortia will be invited to submit an amendment request** for accession of a new partner, modification of the description of the action and upgrade of the budget.

 The budget increase must be exclusively **for the benefit of the new partner.**

 An **additional coordination fee of up to 10% of the increased budget can be allocated to the coordinator** of the consortium. For example, if the proposal applies for 600 000 EUR of the budget increase, the coordinator will get 60 000 EUR, and the new partner – 540 000 EUR.
