

## Eureka Network Projects and Globalstars

- Call Evaluation criteria
- Eureka SmartSimple platform for applicants

# Call evaluation criteria

## ○ Impact (market)

- Is the market properly addressed (i.e. size, access and risks)?
- Is the value creation properly addressed (i.e. employment opportunities and environmental and societal benefits)?
- What are the competitive advantages of your project (i.e. strategic importance, enhanced capabilities and visibility)?
- Are your commercialisation plans clear and realistic (i.e. return on investment, geographical and sectoral impact)?

## ○ Excellence (technology)

- What is the degree of innovation? (i.e. is the proposed product, process or service state-of-the-art?)
- Is there sufficient technological maturity and risk?
- How is the new knowledge going to be used?
- Is your project scientifically and technically challenging for consortium partners?
- Is the technical achievability and risk properly addressed?

## ○ Quality and efficiency of implementation (consortium)

- What is the quality of your consortium (i.e. balance of the partnership and technological, managerial and financial capabilities of each partner)?
- Is there added value through international cooperation?
- Is your project management and planning realistic and clearly defined (i.e. methodology, planning approach, milestones and deliverables)?
- Is your cost structure reasonable (i.e. costs and financial commitment for each consortium partner)?

## ○ Overall perception

# Important information

Each project consortium must nominate a **main partner organisation** and have **at least one other partner organisation**.

**ONE application form per project consortium:**

- Only the main partner creates an application
- The other partners must be invited by the main partner

**ONE partner form per project partner**

# Tasks in SmartSimple platform

## Main Partner organisation

- ✓ Create an account and log in
- ✓ Select a call for projects: **Japan call 2026**
- ✓ Create and complete the application form on behalf of the whole consortium
- ✓ **Invite project partners (1 contact per organization)**
- ✓ **Complete the partner form for your organisation (partner form + co-signature form)**
- ✓ Review the other organisation(s)' partner forms
- ✓ Submit the final application on behalf of the whole consortium

## Partner organisation(s)

- ✓ Accept the invitation and register
- ✓ **Complete the partner form for your organisation (partner form + co-signature form) → send to main partner for approval**

# How to create and submit your project application?

**Watch Video-tutorial:**

**[Videotutorial SmartSimple](#)**

# Tips

## For main partner...

- Save draft regularly
- Fill in as much information as possible and define the work package structure before inviting partners
- Make sure your partners' email addresses are correctly spelled in the invitations
- Press 'Remove' button if applied to wrong funding opportunity or created double applications
- Before you submit your application:  
Check the 'OVERVIEW' section (some information is automatically filled in from complete partner forms) → Is any partner missing? Is the project duration correct? Is the budget correct? Check the 70%-30% member contribution rule → partner forms can be re-opened till the submission deadline

# Tips

## For all partners...

- Co-signature form**: 1) Fill in your details; 2) **Save draft**; 3) Download and check that all the information is correct; 4) Upload signed co-signature doc
- Only one person can work in the application at a time
- Do you need help?
